

# SPORTS NIGHT

## **Sports Nights**

Game Night. Great to get together and watch the game on the TV.  
How about making it good cause for the children.

Setup the time, date and location. Everyone coming can make a small "Play for the Kids" donation. Extra tips for cokes and chips would be nice extra points. Make sure to let it be known that the funds raised are going to be used to help feed and educate the children of the GSCH.

Local Merchants might donate or discount products like chips, and sodas if they know the event will benefit the children. If so make sure you put let everyone know of their donation and to shop their store.
